Women, Dancing into Life's Cycles
With Melissa Michaels and Friends

Into the medicine of Maiden, Mother, Queen, and Crone we will dance, discovering how each long to manifest through us, regardless of our age and cycle of life. Weaving together the arts of body, heart, and soul, we will awaken each of these sacred portals of our feminine nature. Serving as one another's teachers, initiators, and beloved friends we open into our light, beauty, depth, and power as women. This annual gathering is a time of renewal and recalibration for each of us as women living life fully!

Women 16 years and older are welcome.

Friday, March 5th ~ 6:00 - 9:00pm
